Spousal consent to adoption

I am the adopting stepparent's spouse and the adoptee's custodial parent, and I have the mental capacity to give consent.

I understand that if my child is adopted, my child's non-custodial parent will no longer have any parental rights or responsibilities for my child, but that I will continue to have full parental rights and responsibilities. I further understand that if my child is adopted by my spouse, my spouse will be known as my child's parent and my child will be known also as my spouse's child.

Understanding all of this, I voluntarily agree that adoption by my spouse promotes my child's best interest, and I voluntarily consent that my child be adopted by my spouse.
